ыl

- Visitors could easily filter the products and services they are interested in through the digital platform and reach the right products and company representatives.

Physical fair and digital event together!

November 12-16, 2022

- While meeting with professionals with purchasing powers at the physical fair, the exhibitors also held meetings via the digital platform with visitors from near and far geographies who could not come to the physical fair, provided information about their companies and showed product demos.

NEXT EVENT ON NOVEMBER 11-14, 2023
